Reviews

It is one of my personal favorite books. It is written in easy terms and never hard to understand. It has been designed in an exceedingly easy way and it is only after I finished reading this publication by which in fact changed me, change the way I think.

Dover Publications Inc., United States, 2009. Paperback. Book Condition: New. Reprint. 306 x 234 mm. Language: English . Brand New Book. Beethoven's bagatelles are short compositions written over the span of the composer's lifetime, from the early to the late periods. Ranging from easy to intermediate level, these popular pieces display a wide variety of moods and musical ideas and are favorites with students and accomplished pianists alike. The Romantic era abounded in short compositions for piano: etudes, serenades, impromptus, and other miniatures. Beethoven's term for his refined little piano gems was Kleinigkeiten small things or bagatelles. Although the public expected symphonic abundance from a composer of his stature, Beethoven was reputed to take particular satisfaction in the challenge of distilling his musical ideas into a concentrated form. Reprinted from authoritative editions, this collection presents all 27 of the composer's bagatelles, including the well-loved Fur Elise.
