SAVING AMERICA: SOLUTIONS FOR A NATION IN CRISIS

iUniverse, United States, 2007. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.INSIDE SAVING AMERICA Don t be afraid to guilt-trip your representatives on Capitol Hill. Remind them that whenever they vote for a war funding bill that fails to tie financing to troop withdrawal, three or more American soldiers die needlessly in Iraq and Afghanistan every day. Remind them that the blood of these unfortunate military personnel who only joined the armed forces for college money is on their palms, greased by lobbyists and their corporate paymasters. You probably wont get a response -- or at best, a form letter that says something like, Thank you for your interest in this [unspecified, natch] issue. Be assured, Congressman X is doing everything possible. If your concerns are ignored by your elected representatives, make good on your threat to throw da bums out. But you have to find someone to vote for, not just someone to vote against. In most states, prior to every election, sample ballots are sent to all registered voters....
