

## The Sophistries of Christian Science (Paperback)

Filesize: 3.43 MB

### ***Reviews***

*This type of publication is almost everything and helped me looking forward and much more. I am quite late in start reading this one, but better then never. You wont really feel monotony at whenever you want of your own time (that's what catalogs are for relating to if you ask me).*

*(Prof. Buddy Leuschke)*

## THE SOPHISTRIES OF CHRISTIAN SCIENCE (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.From the PREFACE. MATERIALISM, that old enemy so often worsted by Idealism, has marshaled his armies for perhaps a final stand. Progress! is his war-cry, and his pride is in the visible, the palpable works of his hands. Yonder stand the embattled hosts of Idealism whose rallying-shout like that of the other is Progress! She too has achieved, but not the outward, the splendour of cities, the wealth of nations, the commerce of the navigated sea. Men and women are her showing, eternal temples of the living God when the desert claims the city, and the nations are humbled to a name, a memory, and the sea itself has vanished, sunken from its central deeps. But who is the champion of Idealism, the Lord's anointed, empowered to overthrow the arrogant Goliath of Materialism? Some are with confidence asserting that Christian Science is that champion; notwithstanding which, it should be remembered that when many of the goodly sons of Jesse had passed before Samuel; the prophet, at first deceived, was led to ask if there were not others. Of Christian Science it must be said that, aside from its claim to heal disease, it little appeals to the great mass of the irreligious. As a religion its sway is chiefly over people once affiliated with the various sects of Protestantism, from the most conservative even to those known as the most liberal. The progressive thinker will hail any evolution of thought and its reaction on antiquating conceptions of Truth; but he laments chimera-chasing in all things, religion included. Investigating Christian Science, he discovers in its teaching that which allures the uncritical and the ungrounded of widely differing religious views. For...
