So much has been written concerning the evils of individualism and the mistakes of the hedonistic psychology and utilitarian ethics, without suggesting a satisfactory means of curing these evils or correcting these mistakes, that one is forced to believe that something is wrong with the method of attack. One reason for this failure may be that the significance of utilitarianism as a stage in the development of social theory has not yet been rightly comprehended and that we do not adequately foresee what should be the next step in our social philosophy and policy. This study is an attempt, (1) to throw utilitarianism into perspective with the wider social forces and with the philosophical and psychological theory of its time and our time; (2) to show that the main current of present-day social theory, and likewise of ethical theory so far as it is social rather...
