Brand New Book ***** Print on Demand *****.The key to our minds ability to create is to bring forth images that help us to see the world in a different way, a new way. With this line of vision, we are opened to numerous possibilities. All hopes that have once seemed so far a way suddenly become attainable. For moments that are surrounded by despair, with no sign of light to guide us, are soon turned into a time of triumph and rejoicing. There is a spirit of our mind s eye, when at its most active, gives more power to extend itself further. That is inspiration. Drawn from the simplest of matters or objects that we may or may not have taken notice. In these stories, inspiration is given to a number of working people, who try to fill in the missing links in their vocations of choice. For in their midst they come face to face with an ultimate gift from a common object, a statue, a cloth sculpture, a beaded art form. Whichever name they are given, the message to these people is to respond to this gift; Find within their hearts the courage to go beyond where the eyes can see.
