The eagerly awaited second volume in the graphic novel adaptation of Philip Pullman s international bestseller The Golden Compass. This second volume of the graphic novel finds Lyra in the far North. Pullman s original magnum opus is heady and dense, and it may prove challenging for some; this adaptation, with its visual accessibility, can help those struggling with the novel s complexity achieve an understanding without watering down the intricacies.---Kirkus Reviews Praise for The Golden Compass Graphic Novel, vol. 1: -The story s signature fantasies--the daemons, the armored mercenary polar bears, and the alethiometer--are realized with compelling force (and, in the case of the daemons, humor). [This] retelling will bring Pullman s work new fans and give previous readers new pleasure.- --Publishers Weekly, Starred -Whether this is a reader s first experience with the tale or they are already familiar with the story, they should be delighted by this...
