

Body Language: Representation in Action (Hardback)

By Mark Rowlands

MIT Press Ltd, United States, 2006. Hardback. Condition: New. Language: English . Brand New Book. An argument that activity provides a useful template for thinking about representation and that deeds are themselves representational: our representing of the world consists, in part, in certain sorts of deeds that we perform in the world. In *Body Language*, Mark Rowlands argues that the problem of representation--how it is possible for one item to represent another--has been exacerbated by the assimilation of representation to the category of the word. That is, the problem is traditionally understood as one of relating inner to outer--relating an inner representing item to something extrinsic or exterior to it. Rowlands argues that at least some cases of representation need to be understood not in terms of the word but of the deed. Activity, he claims, is a useful template for thinking about representation; our representing the world consists, in part, in certain sorts of actions that we perform in that world. This is not to say simply that these forms of acting can facilitate representation but that they are themselves representational. These sorts of actions--which Rowlands calls deeds--do not merely express or re-present prior intentional states. They have an...
