CHICAGO! WHERE RAILROAD TRAFFIC AND LAKE TRANSPORTATION MEET: SNAP SHOTS FROM PROCEEDINGS OF RIVER IMPROVEMENT MEETING, AT GREAT NORTHERN HOTEL, MARCH 13, 1896 (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Chicago! Where Railroad Traffic and Lake Transportation Meet: Snap Shots From Proceedings of River Improvement Meeting, at Great Northern Hotel, March 13, 1896 The channel of the Calumet River is undoubtedly capable of improvement for a great distance from its mouth. Maj or Marshall states in his report of February 29, 1896, that at present nearly all the commerce by Water finds its terminus or origin within two miles of the mouth of the harbor. One-half mile of this distance covers the most important commercial enterprises, and the inrolling waves seriously embarrass vessels alongside the docks. The dock frontage in actual use amounts to less than two miles. This is occupied mainly by grain elevators, coal yards, and steel mills. The Chicago and Northwestern, the Chicago, Milwaukee and St. Paul, the Wisconsin Central, the Chicago, Burlington and Quincy, the Atchison, Topeka and Santa Fe, the Chicago and Northern Pacific, the Chicago, Rock Island and Pacific, the Chicago and Alton, the Pitts burg, Fort Wayne and Chicago, the Chicago Great Western and the Illinois Central all have terminals on the Chicago River or its branches. They have an aggregate mileage of over miles. They have a dock frontage of about twelve miles. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
