THE SPIRALIZER COOKBOOK: DELICIOUS, FRESH AND HEALTHY RECIPES TO MAKE THE MOST OF YOUR SPIRALIZER (PAPERBACK)

Little, Brown Book Group, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book. Spiralizing is essentially the art of turning vegetables and fruits into noodles. Spiralized vegetables provide low-carb alternatives to pasta or rice and, therefore, useful for diabetic and weight-reducing diets. But they are much more: they add variety and colour to a healthy balanced diet, together with plenty of nutrients. This book provides innovative but reliable and accessible recipes that will get the best out of your spiralizer, including many international flavours.
