University of California Press, United States, 2003. Hardback. Condition: New. Language: English . Brand New Book. Vietnam: Journeys of Body, Mind, and Spirit takes the reader on an informed and engaging journey into the social and ritual life of contemporary Vietnam. Souls travel to the netherworld, while gods and ancestors return to the human world during celebrations in their honor. Although the Vietnam War dominated the consciousness of a generation of Americans, few understand the country and few can imagine what it is like today. Appearing more than a decade after Vietnam's entrance into the global market and more than a quarter century after the cessation of hostilities between the Vietnamese and U.S. governments, this book provides a new understanding...
