Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is very practical and will benefit you in so many ways if you will apply the principles to your life. I wrote this book because in my own life I have wondered, thought, prayed and asked others if I could really know where my life was headed and if there was a way for me to know exactly where I am, where I am going, my life purpose, and an app to use? The great news is that there is a way for you to know the answers to these persistent questions. I have been through more than three life changing events in my life. After each event I excelled in work opportunities afforded me in school, sports, sales, and now helping you. What I have learned is that life is the sum of a variety of unique experiences. Life is the sum of a variety of unique experiences. -Milton Herring You picked up this book because of the cool looking guy on the cover (smiles), you were asked to by someone who wants to see you on purpose, because you personally were curious about your purpose or because you are looking for the next big reading that will inspire you to go to the next level. Whatever the reason, don t stop reading! After this journey you won t be the same, lets walk through this together. When the need for direction arises, there are several keys that can be used to aid in getting you where you desire to be such as prayer, meditation, other influential people, books, apps. etc. In this book I will attempt to uncover the keys that lie in the...
